al Parliament and other palaces. By the way this old historic town of Bristol once had a Friends meeting! The building ground and yard are here yet & many a precious relics of Friends are here.

There is a good field for Christian work and I want some one to assist me to raise funds and establish a Chapel here for the good of the people.

There is no meeting house of any kind at this little village now. Have you any in your meeting that would like to engage in that work among the Emigrants? A good, Christian School teacher is needed here to guide and instruct the many young children now growing up.
